

Just to let you know...

Reception

Hazel & Willow

Phonics

After half term we will be looking at the final family of letter-

The 'zig-zag monsters!'

They're a funny looking bunch...

v, w, x and z

It has been lovely to see so many of you practising your curly school writing on tracing paper or in your JTLYK books!

Parents' Evening

The forms will be returned in your child's book bag. We have done our best to give you a time as near as possible to the one you have asked for.

Some times are more popular than others! Please see us or send us an email if you need to change your appointment. We look forward to sharing your child's progress with you.

Maths

We will be focusing on subtraction in our first week back.

We'll start by singing lots of number songs to help us understand the concept.

This will then lead onto counting groups of objects and taking a number away and counting what is left.

By the end of the week we will begin to record number sentences.

E.g. $10-3=7$ or $19-5=14$

Cooking Corner:

We are running out of cooking money.

If you are able to make a donation of £5 for next term, we would be very grateful.

We have sent 2 reading books home for you to enjoy over the holiday.

Happy Valentine's Day and we hope you all have a lovely half term break!

See you on Monday 24th
