

Just to Let you Know

Hazel & Willow

The Reception Garden

Thank you very much for your donations of plants. We have planted them all and our garden is looking much brighter. There is still a bit more space for more! If you enjoy a spot of gardening and would like to come in and help, do please speak to Sian and Sarah.

This week we have been working hard to practise the one armed robot letters b,h,k,m,n,p,r . Now we have taught the children the curly school formation of every letter we will be reminding them to try to use this when they write.

The Wild Place

We really enjoyed a key word hunt in the woods at the Wild Place this week. The children had fun searching for words, reading them and then ticking them off on their checklist. Thank you to all our lovely helpers who came with us.

We hope to go to the Wild Place next Wednesday so if you are able to come with us please let Sarah or Sian know. Many thanks

Outdoor Learning

This week we have been doing lots of outside learning and enjoying the Reception garden. The children have loved hunting and counting mini beasts, drawing and reading outside as well as exploring what they can make in the sand.

Breaking news!

We have organised a visit to Notcutts Garden centre in Cranleigh to look at the fish. There are some koi carp, goldfish and tropical fish in tanks to look at. We thought that this would be a lovely way to end Underwater LEAP. Please look out for a letter in your child's book bag with more information.
