

Just to let you know...

Dear Parents,

We hope you all enjoyed the long weekend. We certainly did! Next week is another busy week with our trip to Dapdune Wharf. Please make sure you have read the parent mail regarding drop off arrangements. We hope to see many of you at the summer fair on Friday 30th June 6-8pm.

Dates to remember:

Monday 3rd July — District Sports

Tuesday 4th July — 4JW and 4R Dapdune Wharf

Wednesday 5th July — 4JM Dapdune Wharf

Tuesday 11th July — Sport Day in the afternoon

Wednesday 12th July — Move up day

Have a lovely weekend,

Jo, James, Rachel. Maggie and Georgie

Reading records

Thank you for the super reading journals this week. We have enjoyed marking them and seeing the enjoyment the children are getting from their books. If you have any books at home that have been read and are from our school reading scheme please return them to us asap.

Spellings

Please look at and learn these spellings for Monday 3rd July.

exercise, experience, experiment,
extreme, famous, favourite, February,
forward, fruit, grammar

Dapdune Wharf Trip

Please remember that on Tuesday 4th July 4JW and 4R will be visiting Dapdune Wharf as part of our topic work. On Wednesday 5th July 4JM will be going. The children will need to be dropped at Dapdune for 9am (please see parent mail) and then we walk back to school in the afternoon. The children need to wear school uniform and sensible shoes for walking. Please make sure you have paid for this trip on ParentPay.

English

Much to the children's excitement, we have started our new book this week called 'There's a Boy in the Girl's Bathroom' by Louis Sachar. The children found out about the main characters Bradley and Jeff and discussed how Jeff felt about joining a new school and a new classroom. They discovered that although Bradley seems quite mean there is more to him than first meets the eye. Their first piece of writing has been a diary entry from the perspective of Jeff on his first day at his new school. After that they wrote a counsellor's report on Bradley in role as his counsellor, Carla.

Maths

In maths this we have been revising area, perimeter and coordinates. The children have done some shape investigations and applied their already known skills. Please encourage your child to continue using Lumio to practise these areas of maths.

Homework

The homework this week is in preparation for the week ahead in maths and will be some Lumio revision of fractions and decimals. When your child logs on they need to click 'My Lumio' and there will be a homework task there.
