

# Just to let you know.

## LITERACY

We have been writing up our Ice Egg ideas through newspaper reports, stories, posters, comic books, postcards.... Where have their ideas taken them and how did it all end?!

## Words of the Week

hard  
soft  
liquid  
condensation  
pliable  
malleable  
soft  
change  
permanent  
recycle

walked  
watched  
used  
asked  
jumped  
opened  
stopped  
what  
when  
where

**Please send in all PE kits.**

Please remember lessons start at 8.40 am and healthy, unwrapped snacks are encouraged for break time.  
Many thanks for your support with this!

Great to see so many of you at parents' evening. Have a lovely weekend.

Best wishes  
Alison, Nick and Tracey

## SCIENCE

We have had lots of fun making our own filters to clean dirty water. We have asked the children to think about why the investigation worked and to think of different materials they could use to create a filter. The children will be testing their theories next week!  
We have also been investigating reversible and irreversible changes. The children have enjoyed making predictions and evaluating their results.

## Maths

We have been investigating, angles, rotational symmetry, decimals and number facts this week. Can your child count fwd and back from 20, 50, 100 or more in 2,3,4,5? Great mental practice!
