

Oak and Beech Class

5th December 2014

Well done!

The children have been brilliant at practising their songs and dances for the Christmas play. You are in for a treat!

Well done to Beech Class for moving up so sensibly to Year Two for the day whilst the new windows were done.

Sound of the Week

We are having photocopier problems this week so please don't worry if our 'Sound of the Week' activities don't come home this week. We will send them when we can.

Dear Parents

What a busy week of play practising and singing we have done. In between rehearsals we have managed to look at money in maths. Quite a lot of children need some practise in counting amounts using different coins so if you are shopping with them at the Christmas Fair perhaps you could get them to work out which coins they can use to make amounts under 50p:

Can you make 10 p using 5 coins? How many 10p coins do you need to spend 40p? Which coins could you use to make 62p?

We have also had a big focus on handwriting this week. We have been thinking about letter formation, finger spaces and capital letters. The children have done all this work despite being extremely excited about the play!

Well done! Sheena and Emily

Fairy Tale Dressing Up Day on 6th January

On our first day back, as a special start to our new topic of Fairy Tales, the children are invited to come to school dressed as their favourite fairy tale character. The costumes can be as grand or as simple as you like, so don't feel that you need to spend time or money over this busy Christmas period organising too much! Please do name everything. The children will also need to bring in their PE kits that day too for P.E. in the afternoon.
