

JTLYK Reception

Friday 21st June 2019.

Dear Parents

We have started our new topic on 'Minibeasts' and have been busy looking for them all around the school grounds as well as at the Wild Place. This past week we enjoyed the story: 'What the Ladybird Heard'. The children wrote about it and learned about the life cycle of a ladybird.

In Maths, we have continued with addition and subtraction using counters or moving forwards or backwards on a number line to find the answer. We would also encourage you to practise counting on from a given number with your children e.g. 12 to 20 or, 15 to 19 etc. without them starting at 1 every time.

The children enjoyed a 'Perform' workshop today called 'Mermaids and Pirates'.

A reminder that school is closed on Monday 24th June for our 'Midsummer holiday'. We look forward to seeing everyone on Tuesday.

Have a lovely long weekend!

The Reception Team.

Super 10

The children are enjoying the 'Super 10' challenge where we, weather permitting, go out to run for 10 minutes each day. They are building up their stamina to run a few more laps as each week passes.

Mufti day

This will be on Friday 28th June. Please send in your donations for the Summer Fair on that day. (A list of items requested is on the Summer Fair letter that was sent out earlier.)

Reminders:

1. The 'Ugly Bug Ball' is on Friday 5th July. The children will need a simple mini beast costume.
2. Please ensure that your child has a raincoat with them on days when rain is predicted, as we still like to go outside if there are only a few 'spits and spots' of rain.
