

Just to let You Know

Dear Parents,
Your children have worked very hard and with great enthusiasm this term. Thank you for all your fantastic support. We hope that you have a lovely Easter holiday and we look forward to seeing everyone again soon.

Sound of The Week
Please ask your child to look through the Sound Of the Week book over the holiday. After Easter the Sound of the Week will be **oy - boy, toy, enjoy, royal, cowboy**

Wild Place
We are very short of helpers so please sign up to help next term. You are guaranteed a good afternoon!

We hope you have received the letter about the June 'phonics screening'. If not please come and ask us for another letter.

Maths - After Easter we will begin by learning about graphs. We will collect data together and make block graphs and pictograms. We will talk together about how to interpret the data. Eg How many people like chocolate ice cream? How many more people prefer strawberry ice cream? Which is the most popular flavour of ice cream?

Vincent van Gogh
Thank you for your books about Vincent van Gogh. We had an interesting time looking and talking about lots of his pictures. The children were all inspired to paint or draw something in the Van Gogh style.

Easter Gardens
After reading the Easter story we all enjoyed making Easter gardens at The Wild Place on Monday.
