

JTLYK Year One

Friday 30th June

Maths

What a good lot of bonds to 10 and 20 learning the children have been taking part in this week. Next week we will have a 'refresher' of 2d and 3 d shapes as well as subtraction using a number line.

Thank you !

A huge thank you to all the kind parents who have come in to tell us about a country. It has been absolutely brilliant and so far we have enjoyed learning about Israel and we have Japan to look forward to. If you would like to come in to tell us a bit about a country you will be very welcome. Thank you.

Wednesday 5th July

Move Up Morning

Please look out for information coming home next week with details of your child's new class and teacher. For the last 3 weeks of Year 1 we will make sure that we keep to our usual routines as much as possible ,

Painshill Park Trip Tuesday 4th July

We are looking forward to our visit to Painshill Park. Please remember that your child is to wear a simple pirate outfit (please no swords!) and comfortable trainers as there are lots of places to explore and we will be doing lots of walking outside. Please make sure your child has a jacket in case it rains but lets hope for sunshine!

Sound of the Week

This week the children are practising learning to read and spell some of the Year 1 words. It is a good idea to try the 'read it, write it, check it' method when learning to spell a word which is what we do in school.

Have a lovely weekend,
Sarah ,Claire and Chloe
