EASTER HOP!

The Easter Hop will be on Monday evening from 6-7:15pm.

Please remember....

Next Thursday, all of Holy Trinity Pewley Down school will be attending the Easter service at Holy Trinity Church. We will be walking down to the church at 9am, unless your son is in the boys' choir. If your son is in boys' choir please deliver them straight to the church at 9am to meet Sarah for practice.

EASTER GARDENS!

We will be making Easter Gardens one afternoon next week. Please remember to bring any appropriate materials!

In maths this week we have been learning how to calculate fractions and percentages of an amount. We have looked at finding 10%, 5% and 1% of a number and using this to calculate irregular percentages such as 17% of £42.00.

Now that we have covered most of our maths topics, we are using early morning sessions to revise and practise these skills. It would be fantastic if you continued this practice at home. Have a look at the websites below for some activities to try.
