

Just to let you know...

Dear Parents,

We've had a great start to the Spring term and are delighted at how enthusiastic the children are about the new topic: Ancient Egyptians and Space. An exciting topic launch kicked off the term and the children met four characters from Ancient Egypt: a pharaoh, a scribe, a farmer and a slave. Each one told the children their story and presented them with a hidden hieroglyphic message to decode.

This term we have two exciting trips: Neasden Hindu Temple and Intech Science Museum and Planetarium. If you would like to come and help on either of these, please email your child's class teacher.

Best wishes,

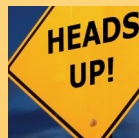

Bec, Heather, Laura and Nick

MATHS... A heads up!

Next week in Maths, we'll be looking at multiples and factors.

Why not get a head start and take a look here:

http://www.bbc.co.uk/bitesize/ks2/maths/number/factors_multiples/

Maths and homework

We have been looking at negative numbers and linking this with the timeline work we did in topic. For more practise on this, please go to www.mymaths.co.uk (username: pewley, password: squared) then go to: Number—Number and place value—Y5 Negative numbers 1. There's an online homework on there; please record your answers in your homework book. If you'd like a challenge, you can do the homework questions from Y6 Negative numbers 2.

Diary Dates

Thursday 19th Jan—Hindu Temple visit

Thursday 9th Feb—INTECH science trip

Friday 10th Feb—FLUFFY

Tues 28th March—Parent consultations 6.00—8.30pm

Thurs 2nd April—Parent consultations 4.00—6.30pm
