

# Just to let you know...

## Don't forget:

We hope you have a very happy and peaceful Easter break and look forward to seeing you back in the summer term! Don't forget that our next topic will be 'The Great Exhibition Expedition' all about the Victorians.

- Please remember we are back in school on Monday 16th ready to launch our new topic! Any reading over Easter about the Victorians will be really useful!
- During the first week back we will be giving the children the opportunity to practise all the SATS papers that they will be taking later in the term.

## English

Year 6 have been writing up their poems and prayers after a thought-provoking trip to Wintershall Stations of the Cross.

## Useful websites

If you fancy topping up your Maths and English skills over Easter, here are some useful and fun websites:

- <http://www.bbc.co.uk/schools/ks2bitesize/>
- [http://www.icteachers.co.uk/children/children\\_sats.htm](http://www.icteachers.co.uk/children/children_sats.htm)
- mymaths (login: pewley, password: squared)

## Maths

This week we tackled number sequences and tried to explain the patterns. We also had fun solving number riddles. Try some at home: "I think of a number, multiply it by 3, subtract 2 and end up at 148. What was my number?"

The children should be bringing their topic books home—enjoy looking through their work. It has been a fantastic term!

It was lovely to see so many of you at our information evening about Preston Montford and SATS; if you were unable to attend, ask your child for the notes from the meeting.
