

Just to let you know

Dear Parents,

Many thanks for your support over the last few weeks with keeping your children calm in the 'run up' to SATS!

A few reminders for all;

Children need to be in for an 8:40am start.

Children need to be eating a good breakfast in the morning please so that they are fuelled for the day!

Preston Montford Health Forms returned.

Lido return slips to school asap

Thanks for your support, JJ, Tom, Helen and Mary

Please remember that it is just as important for the children to rest and play, as it is to work at the moment so do encourage them to have some time to do just that this weekend.

Yearbook

We must say a huge thank you to the Yearbook Team who have been working tirelessly to ensure the Yearbook is going to be ready. Amanda Evans has taken a major part in the project.

Spellings

disappointed, disagree, disobey, misbehave, mislead, misspell, illegal, illegible, irregular, irrelevant, irresponsible, immature, immortal, unreliable

Maths

Well done to all the children this week! They have been very focused and working hard.

Please carry on reading with them, practising tables or finding fractions of amounts

for example.: $4/5$ of 30 \longrightarrow $30 \div 5 = 6$ $6 \times 4 = \underline{24}$
