

Just to let you know

Dear Parents,

As you all know we have been doing our Year 6 SATS this week. The children have worked extremely hard. As a team, we have been really proud of the effort and maturity that all the children have shown. It was great to see all the children enjoying themselves at the Lido once the tests were out of the way. We're looking forward to the rest of the fun filled summer term!

The children have also been working hard on their LEAPs this week, we've been impressed by the array of creative ways they have chosen to present their findings from the specialism they've chosen from the Industrial Revolution.

Don't forget Fluffy next Friday 22nd May. Please remember your pound! If you are able to help out with any activities or even walking children to or from activities, please do let your child's teacher know—any help would be much appreciated.

Good luck to all the Year 6s travelling to our partner school in Spain next week—we hope you have a wonderful time and we look forward to hearing all about it!

Helen will be taking over from Bec, while she's on maternity leave, teaching 6SR on Thursdays and Fridays after half term.

Dates for your Diary.

Friday 22nd May—FLUFFY

Friday 22nd May—break up for half term

Monday 1st June—back to school

Preston Montford

Please remember to pay any outstanding money for Preston Montford.

Next week we will be introducing Victorian money. If anyone has any Victorian coins we could borrow, to show the children, we'd very much appreciate it. At Preston Montford, they will have an opportunity to spend their pocket money at Blists Hill after exchanging it into shillings and pence so they need to be aware of how much things cost!
