Weekly Tables Test ~ keep up the practice!

Please continue to hear your children read and ask questions on the text.

Please could all children bring in shoe boxes, any pieces of ribbon and buttons for our creative art ideas as soon as possible.

Many thanks to all of you who came to our Information Evening on Wednesday. If you were unable to attend, do come and see us for any questions.

London Road Trip Monday 22nd April-the children need to be dropped off at London Road Station at 9:30am in their 1940's clothes. Children who usually have a packed lunch should bring one on this day. The children will be 'billeted' back to you! If you are able, come up to the hall just after 3pm.

Curriculum

We have all enjoyed a great start to our new topic, with your children getting a great deal from their 'annexing' experience. They demonstrated a keen sense of justice and were able to argue their case very confidently. This then led to some excellent pieces of writing.

This week we have talked about the causes of WW2 and have begun to think about how it would feel to be evacuated. All children now have their own 'ration books' and have given themselves 1940's names.

In maths we have looked at properties of large numbers, revisited place value and measurement, particularly in relation to distances across Europe.
