

Just to let you know...

In maths this week we have been looking at all things Roman! The children have learnt to record Roman numerals and solve mathematical problems, recording their answers using only Roman numerals.

We have had an amazing start to the second half of our 'Invaders' topic with a wonderful workshop with John Eagle, an expert on Roman history. The children experienced what life would have been like for a Roman Soldier and had the opportunity to participate in role play. We were able to handle original and replica Roman artefacts!

In English, we have been learning about the Roman Empire. The children have used their experiences with John Eagle, along with reference books, to write interesting facts about the Roman invasion. The children have also used a dictionary to find the definition of Roman related words.

Dear Parents,

We hope you had a brilliant half term.

We would very much appreciate it if you could send in any spare boxes or pieces of cardboard you may have lying around in your recycling bin at home, we will need these for various D&T projects, which will be used in our Invaders Market (Tuesday 10th December at 2pm).

Best wishes,

Mel, Sheila and Julia.

Next week we step out of our normal curriculum and spend the week studying WW1. This will culminate in our very own Remembrance Service on Friday 15.11.13 at 1.50pm at the War Memorial in the Castle grounds. We hope you can join us.

If you can offer to help, we would greatly appreciate it. Please let us know, by email. If you do help, we will need you to meet us outside the Year 4 classrooms. We will be leaving at about 1.30pm and aim to be back by 2.50pm.

Thank you.
