

Just to let you know...

Dear Parents,

Can you believe it's almost the end of the year?! Year 4 spent Thursday afternoon getting to know their new class teachers for next year.

STAFF IN YEAR 4

People have been asking about the staff who have worked in Year 4 throughout the year. Chris has been working in all of Year 4 as a class TA, Julie has worked in 4M and 4J, Joan has worked in 4N. Jess has worked across the year group supporting us in Maths lessons. Tracey J and Lynda have worked with the group room children.

Have a fantastic weekend,
Mel, Nick and Julia.

Above, you can see the winners of the Year 4 Pentathlon (although unfortunately Finn Doyle was absent on the day these were presented, but gained a bronze medal for the boys). The children took part in 5 different events and had their scores added up. All pupils received a certificate celebrating their effort and showing them the total points

LEAPS

The children have worked so hard on their LEAPS, we hope you agree that the finished products were outstanding! The children embraced the opportunity to explore their own topic area and to make their own decisions about how to present their findings. The beautiful presentation and quality of the content was a brilliant celebration of everything the children have learnt in Year 4.

If you can help walk down or back from the Church service on Monday 22nd please let your class teacher know. We will be leaving school at 1.15. Many thanks!

In the above pictures you can see David (Honor Butler's uncle) who came to give Year 4 an amazing talk all about his adventures on Everest! A truly inspiring person and great role model!
