

# Just To Let You Know- Hazel & Willow

## Next Week

Willow will be learning ai, oa and j

Hazel will be learning z, ee/or, ie

In Maths we will be looking at length and comparing whether objects are longer or shorter.

At home, you could sort different objects into longer or shorter or even have a go at using a ruler or measuring tape and talk about what we use them for.

## Parents' Evening

Please look out for the letter which will be in your child's book bag. Meetings will be on Tuesday 18th and Wednesday 19th November. We look forward to seeing you and talking about how your children are settling into school life.

## New LEAP!

Before half term, we talked to the children about ideas for a new LEAP (topic). On Monday, Willow and Hazel got together to share their ideas and then the children voted for their favourite.

\*Cue the drum roll...\*

## **It's FOREST LEAP!**

The children have suggested all sorts of lovely things we could do and find out about-we're really looking forward to it.

Next week we will be using the story

'Stickman' by Julia Donaldson to inspire our learning.

On Thursday 20th November we have asked Graham Cornick from Hydestile Animal Centre to come and visit. He'll be bringing some real forest animals to show and talk to the children about.

Look out for a letter in your child's book bag soon.

## Wellies

Autumn/winter is well and truly here but it won't be stopping us from going outside. Please could you make sure your child has a pair of named wellies on their peg for when we have lessons outside. Thank you
