

Year One Beech and Oak

Maths

This week the children have been working hard to tell the o'clock and half past times on their own hand made clocks.

It would be good to continue this please by spotting these times on clocks at home.

Date for your diary!

Art Exhibition

We would love it if you are able to come into Year 1 on Friday 3rd February at 2pm. There will be some lovely art work to show you and a chance to look through some of the children's Topic Books.

English

The children have been very busy making a story map of the story of The 3 Little Pigs, retelling the story to a partner or group, building a stick house at The Wild Place and planning different ways to change the traditional tale. Next week we will be writing the changed story. Watch out for a different version of The 3 Little Pigs!

RE

Our RE this half term is based upon 'What is Fair.' We are thinking about how to stay safe, be healthy, enjoy and achieve and make a positive contribution.

This links both to our school values and the UN rights of the child. We have been looking at a picture book called 'My Little Book of Big Freedoms' by Chris Riddell and talking about the pictures and ideas.

A good website for Traditional tales is 'Oxbridge Babies'
