

Just to let you know...

Phonics

This week we are looking at our next letter family—the one armed robot! This week we are learning how to write r, m, n, and h.

Can you try writing them at home using lots of different colours and make some rainbow letters.

Trips

We have two great trips booked for the summer term.

We're going to see a production of 'The Tiger who came to Tea' at the GLive.

We have also booked to take the children on a day out to the

'Look Out Discovery Centre' in Bracknell.

(Which also involves a very exciting coach ride!)

We will send letters out next week .

Parents Evening

We look forward to meeting with you on Tuesday and Wednesday. Do some and speak to us if you don't have an appointment or need to change.

Cooking Corner

This week we are going to do a food tasting session. Can you tell the different between salt, sweet and sour?

Reception

Hazel & Willow

Maths

This week we are going to be re-capping some of the areas that we have learnt this year. We will be looking again at addition and subtraction, thinking about the words we use e.g. more than add, plus, take-away, less than, altogether and equals.
