

Just to let you know...

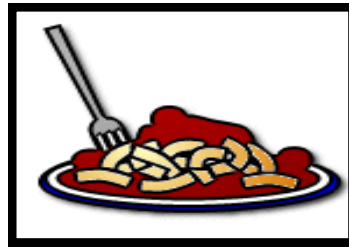

Phonics

This week Hazel class is learning the sounds m, r, d.

Willow class is learning ck, e, h
Please look out for your JTLYK books with new sounds inside every Friday.

Cooking Corner

This week we are making Pasta with the option of grated cheese and a chopped tomatoes sauce.

Fluffy Friday-18th October

This is a special activity day at HTPD. The children are invited to wear mufti (home clothes). The Reception children will do activities that are different from their normal school day. They will do this with their own teachers but later in the year they will join in with the other classes.

Thank you for helping your children to develop their independence for school. One way you can do this is encourage them to dress themselves at home.

Reception

Hazel & Willow

Maths

This week we are continuing to look at numbers . We will be counting lots of different objects around the classroom and playing counting games.

Throwing beanbags into a hoop and then counting how many beanbags there are. We will be asking the children to show us this number of fingers and also to match this with the number .

At home, why not have a go at counting your teddies, toy cars or peas on your plate.

Maths Evening 15th October

There is a going to be an informal maths evening on 15th October from 7pm—8pm. This is to show you how we teach maths in school. There will be a short talk in the hall and then the chance to go to the classroom where there will be lots of the maths equipment we use for you to look at.

We've been practising how to use sticky tape independently.
