

# Year One

## Beech and Oak

14th November 2014

There will be NO TEACHER LED CLUBS (binca, construction, book group, film club, drama, country dancing ) next week because of Parent Consultation meetings. Football/French/Boogie Pumps/Ballet/Yoga will still be on.

### Sound of the Week

Well done to everyone who practised their capital letters this week.

Look out for the handwriting challenge this week!

Dear Parents,

Thank you for returning your trip letters and we are very excited about visiting the Toy Museum next Wednesday and Thursday. Please remember to send your child with a weather appropriate coat as we will be walking there!

We have had a lovely week this week enjoying lots of stories all about bears. The children have impressed us with their ideas and they have enjoyed acting out their stories for each other. We have even filmed some of the stories using the new ipads!

Emily and Sheena :))

### Maths Focus

The children are really enjoying how to subtract using a numberline! They are remembering to jump backwards from the first number to get to the answer. Today we mixed up adding and taking away questions for the children to count on the numberlines and they did really well remembering which direction to jump!

At home can you make a number line to 10, 20 or even longer and use it to add and take away?

$$3 + 1 = 4$$
