

# Just to let you know...

This week the children have continued to explore the characters of our class reader 'Aquila'. They have enjoyed reading extracts and coming up with adjectives to describe the characters' personalities, interpreting the text. Using their imagination and evidence from the story they have drawn Aquila and annotated their pictures with quotes from the text.

In Maths, we have been using our knowledge of turning and direction to plan routes around the school for each other. We also thought about different angle types and classified some. Why not ask your child how many degrees there are in a straight line or a circle?

Click 'Shape', then 'Angles'

## Spellings

finally  
usually  
gently  
angrily  
basically  
extremely  
certainly  
happily

Plus two of their own spellings from their work.

## Book Week

Next week is Book Week. The theme of the week is 'Journeys'. The children will take part in a rotation of activities, working within their houses. They will have a day of Science, English, Maths and Outdoor Education. Their learning will be based on books about journeys.

The children should wear their house t-shirts all week, also please could children have a pair of outdoor shoes (old trainers or wellies) in school.

Also, on Friday they will have the opportunity to dress up as their favourite book character!

Please could you continue to hear your children read regularly and sign in their Reading Journals. We really hope they'll be bookworms by the end of the year!!
