

Just to let you know...

Year 1, 10.5.13

Dear parents,

The children were brilliant at trying new fruits and vegetables this week, and we were amazed that they were so keen to try new foods! They loved chopping the vegetables to make soup and it was great fun tasting it in the afternoon sunshine. This half term we have introduced the children to "English Country Garden" dancing, and they have loved it! They're getting very good at swinging their partners, promenading and clapping hands! The children are looking forward to performing our dances for the Reception children and some special guests. We were very lucky to have Joe and Zi's dad Casper visit us this week. He told us all about his job at Winkworth Arboretum and we loved exploring the trees at school and the Wild Place with him.

Love Hannah, Emily, Misha and Sam x

Maths

This week we were thinking about halves and quarters. We cut up and shared out fruit and worked out how to share a packet of raisins evenly between 2 or 4 people. We also made pictograms of our favourite vegetables. We looked closely at them to see what they told us. E.g. 4 more people liked carrots than celery. Have a go at making a pictogram at home to discover your family's likes and dislikes.

Date for your diary:

Thursday 23rd May

@ 2pm

Look out for your invitation this week!
