

Just to let you know...

Dear parents,

A big welcome back and we hope that you all had a restful and joyous Christmas break. Thank you also for our Christmas gifts, it was so generous and thoughtful of you all!

It's a new term and a new topic; Material Mayhem. Please have a look at the topic web on the reverse to see all the things your child will be learning about this term.

Happy New Year!

Jo, James, Rachel and Maggie

English

We have been reading George's Marvellous Medicine by Roald Dahl and looking at the features of various recipes. We then planned and wrote recipes for our own marvellous medicines. We tried to include lots of examples of alliteration, imperative verbs and interesting vocabulary. We will be sharing our recipes with our classmates next week.

Maths

This week we have been multiplying and dividing whole number by 10 and 100. Some children have extended to multiplying by 1000. A great way to practise this at home is times or divide bingo, search for 'top marks times and divide bingo' or click the link below.

<http://www.topmarks.co.uk/Flash.aspx?f=bingotimesordivide>

Spellings

Thank you for helping your child to learn their spellings. The spellings for this week are below:

rain, rein, not, mail, accept, meddle, effect, heard, wait plain, main

Swimming and P.E.

Swimming is for 4JM this term and begins next week on Wednesday 11th. Please make sure that you have returned the consent form. 4R and 4JW will need their PE kits.

Homework

We would like the children to write questions to ask George. The questions should be about the story and need a question mark.
