

CURRICULUM NEWS

English

In English this week we have been learning about writing informal letters. The children looked at a genuine letter from a WW2 evacuee. We have been thinking about the process of evacuation and imagining how it might have made them feel. We have then been planning a letter for the children to send home to their parents.

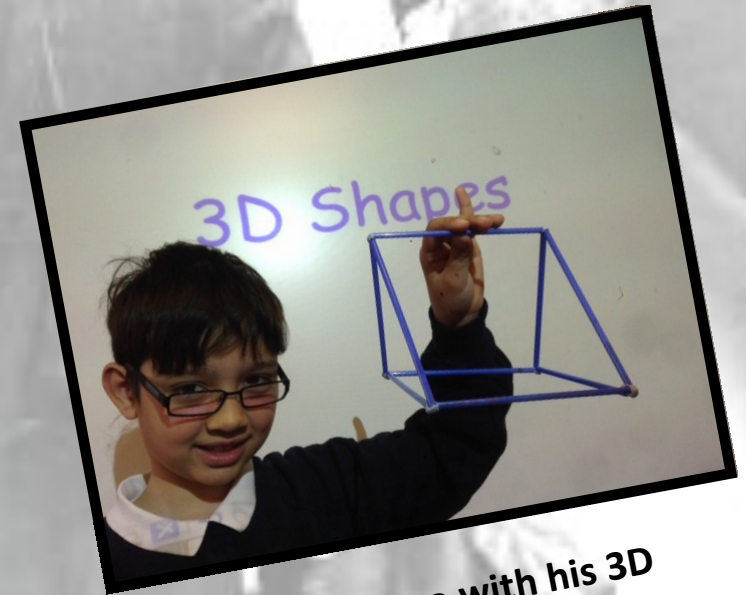

Maths

We have briefly recapped doubling and halving numbers and investigated 3D shape. We had great fun on Thursday making shapes out of straws and blu-tak. Can your child remember any names of 3D shapes?

Reminders and Notices

We will be heading onto the downs on Monday for our St Martha's trip. We have had changed the timing slightly. We will be leaving school at 9.30 and coming back at 12.30. This means the children will not miss their weekly PE session.

Just to
let you
know

Zeno with his 3D shape. Do you know the name of his shape?

Spellings

London, Separate, Blackout, Air raid, Identity, Frightened, Busy, Decide

Mathletics

There is now an activity on Shape set for everyone in Year 3.
