## Top Tips for SATs Week!

- Start the day with a nutritious breakfast—blueberries and bananas boost brains!
- Don't stay up late playing computer games or using mobile devices—this prevents you from getting quality sleep!
- Keep active—Go to clubs as normal and get lots of fresh air. Maybe skip any early morning swimming or ice skating sessions!

On Friday we are celebrating the end of SATs week with a trip to the Lido. Please make sure you have returned your slips. We will be meeting at 8:45am at the Lido. Make sure that you bring a packed lunch, swimming kit, sun cream, a towel and dry clothes for afterwards. Pickup is from school at the normal time at the end of the day.

With SATs next week it is really important that the children have a relaxing and enjoyable weekend. We would like them to feel that SATs week is as normal as possible as this will help with any anxiety.
