

Just to let you know...

# Welcome to Year 6!

## Bikeability Group 1

Will start on Monday—check your bike over the weekend. NB Children will return from the Chantries in time for the session. **Please check letters and diaries for further information.**

## First topic:

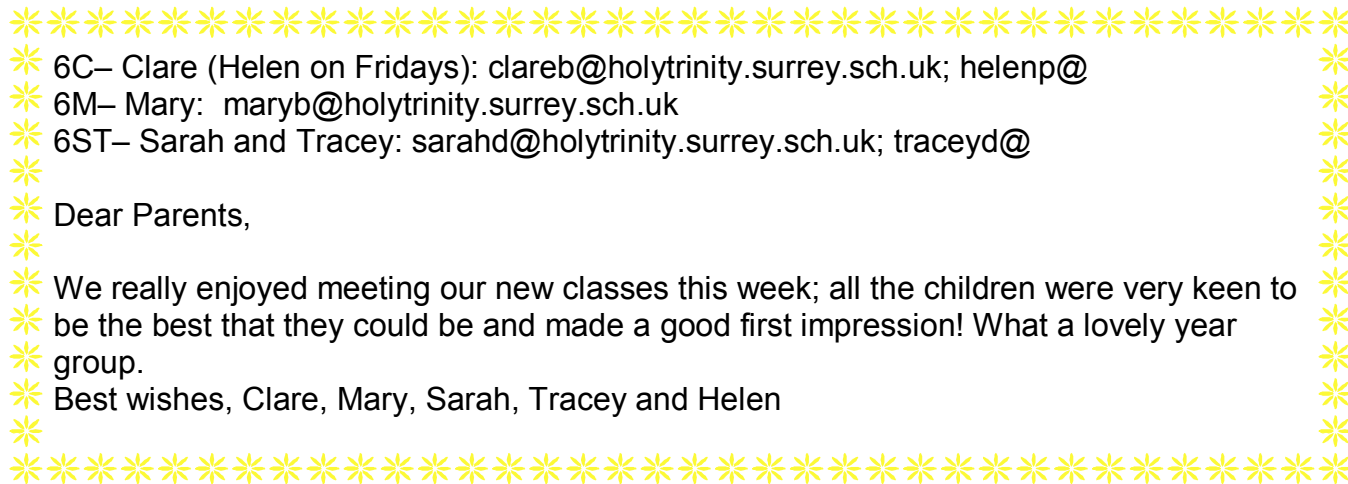

### A Walk on the Wildside

Next week we begin our topic studying life in the Amazon rainforest and then, later in the term, we will be comparing it with Antarctica. Any background reading would really help!

Dear Parents,

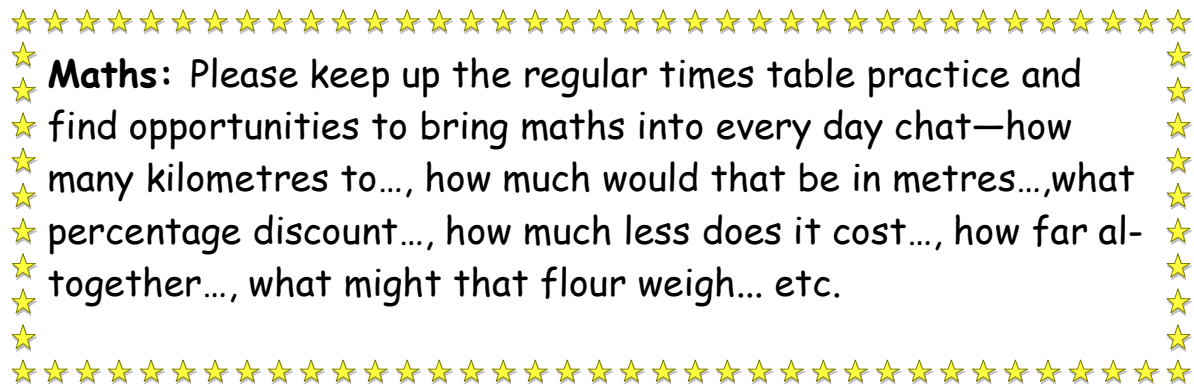

We really enjoyed meeting our new classes this week; all the children were very keen to be the best that they could be and made a good first impression! What a lovely year group.

Best wishes, Clare, Mary, Sarah, Tracey and Helen

Please could you continue to hear your children read regularly, then sign their diary to confirm your child has read three times a week.

**GROUP READING WILL BEGIN ON THURSDAY 20th SEPTEMBER at 0840.** If you are free, we would love to have you join us.

**Maths:** Please keep up the regular times table practice and find opportunities to bring maths into every day chat—how many kilometres to..., how much would that be in metres..., what percentage discount..., how much less does it cost..., how far al- together..., what might that flour weigh... etc.
