

# Just to let you know...

In maths this week we have continued to look at place value. We started with rounding whole numbers, then began to look at rounding decimals. The children then worked on recognising, adding and subtracting Roman numerals.

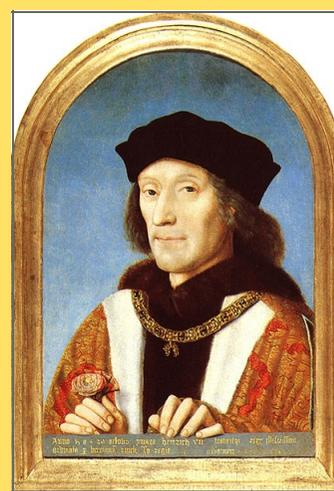

Please remind your children to keep practising their times tables at home.

The spellings this week are homophones. These are words that sound the same, but are spelt differently and have a different meaning, for example, 'hour' and 'our'. There is a spelling list to learn this week but please continue to investigate homophones at home.

aisle:  
isle  
allowed  
aloud  
affect  
effect  
alter  
altar  
ascent  
assent

**Investigate these words by finding out their meanings. How do the meanings differ?**

**The spelling test will be on Friday.**

## The Battle of Bosworth

This week the children were taught about the Battle of Bosworth. They learnt all about how Richard was defeated and how the Tudor Rose came about from the union of two families.

### Dates for your diary:

Mon 25th Sept - 5L to RGS

Weds 27th Sept - Phonics evening at Pewley

Thurs 5th Oct - Maths Day

Mon 9th Oct - Hampton Court Trip\*

Thurs 12th Oct - Individual photos

Fri 13th Oct - Fluffy Friday

Weds 18th Oct - 12.15 finish

Thurs 19th/Fri 20th - INSET

\* Any offers of help would be greatly appreciated; please email your child's teacher if you are able to help.

### HOMEWORK

There is a Roman numerals task for your child to complete at home. This will involve converting Roman numerals to numbers.

Please continue to listen to your child read and spend time discussing the text and any unfamiliar words. Remember to choose a new task to complete from the front of reading record too. This should take twenty minutes and be at least half a page. If it includes drawings these should be done in pencil and coloured in.

### Drop Off and Pick Up

This is a reminder that children are to be dropped off and picked up in the playground, not in the Year 5 area. This is to ensure the safety of all children in school.
