

Just to let you know...

Next week we will be writing poems using figurative language and personification. In order to prepare for this we have been reading poems together. We have also discussed how verbs can be used effectively to create atmosphere. See if your child can tell you some alternatives to

**Went
Said
Got**

**SPELLINGS— using
apostrophes for possession**

Whilst thinking about life in the Amazon, we considered the suitability of different materials for a rucksack. The children planned and then carried out a scientific investigation to test their theories. We were also delighted to take part in the Horrible Science workshops on Monday.

Dear Parents,
We are looking forward to our trip to Wisley on Monday—the children will need packed lunches and a waterproof coat. They will be wearing school uniform, but can wear trainers. We will be back in time for the end of the school day.
Best wishes
Clare, Tracey, Sarah, Mary and Helen

Please could you sign in your children's diary when they've read three times during the week. 6C and 6ST will be group reading on Thursday at 9am

In maths this week, we have continued our investigation designing a log cabin for the Amazon. The children have used long multiplication to calculate costs and some have tackled percentages too.
Ask your child to tell you what skills they had to use and in which area they need more practice.
