Natural History Museum

We had a fantastic day out on Tuesday and thank you so much to our grown ups who came along!

We have all be talking about what we would like our own dinosaur museum to look like and the children have come up with some super ideas (so watch this space!).

If you have any photographs of trip could you please e mail them to us.
Many thanks!

Special Tasks

It is that time of year when Year Two children are carrying out some special tasks. We would request that they have a:
good night's sleep
good breakfast
and be in school promptly at 8.40 each morning for the next three weeks.
Thank you!

Maths Corner

Please continue to practise with your child counting in 2's, 3's, 5's and 10's. Try counting backwards and from different numbers eg count in two's starting at 3 up to 31. Count in 3's starting at 11 up to 35.

Writing Corner

Write a fabulous description of a funny dinosaur that you have invented. Make sure you make it as interesting as you can—the sillier the better! What will you call it?
