

Just to let you know...

Mr Fox came to visit us and told us about his socks and set us a challenge to write him some rhymes. We have been working hard to make up all sorts of rhymes for Mr Fox

Thank you

Thank you for bringing back the Questionnaire we gave you asking about different after school sporty activities your child takes part in and what bits of technology they are able to use at home.

Nursery Visits

Sian and Sarah have begun to visit the nurseries to meet some of the new Reception children who will be starting in September.

We have done our best to make sure that routines are as usual but we just wanted to let you know.

Reception

Hazel & Willow

Maths

In Maths we are going to be exploring 3D shape. We will be finding real life examples of 3D shapes and we will be hunting for cylinders, cones, pyramids, cubes, cuboids and spheres. We will be using the words, 'face' 'edge' and 'corner.'

Phonics

This week the children have been working so well to use their knowledge of diagraphs in reading and writing. We are going to continue with this next week, working especially on revising the diagraphs ee, oa, ch, sh, ai, oi, oo, th, ng. We love to see all the work the children do at home so please carry on!
