

## English

We have finished writing up our Greek myths, which are brilliant and the children are so proud of them. We also looked at the features of a non-chronological report and started to research volcanoes.

## Geography

The children have used atlases to locate volcanoes around the world. They also found out about tectonic plates. The children had fun creating exciting information posters about volcanoes in groups. They look fab!

## Holiday Homework

The children will take home holiday homework to complete. This is a blurb and front cover for their Greek myth. Please also make sure your children are reading and completing the reading tasks, as well as any other learning that will help them. This includes Times Tables Rockstars.

## Spellings

gentle  
giant  
generous  
danger  
huge  
orange  
ginger  
generation  
magic  
strange

## Curriculum Week

The first week back is Curriculum Week and the children will be working in their houses every morning apart from Friday. One morning your child will be off site so they will need a packed lunch.

Monday—Mandela  
Tuesday—Shackleton  
Wednesday—Keller  
Thursday—Nightingale

## Greek Day

Just to remind you that our Greek Day is on Friday 15th March. The children will need a Greek costume which they can wear into school on the day.

## DT

We looked at Greek architecture and discussed the different types of columns used to support buildings. We then carried out our own investigation and made our own columns and found out which was the strongest!

## RE

In RE we have been looking at Shabbat. We looked at the different customs and rituals associated with Shabbat and shared a 'Shabbat' meal with our House family.

## Parent Consultations— Tuesday 5th and Thursday 7th March

We are looking forward to meeting you to discuss your child's progress and achievements so far this year. We will send out letters after half term.
