

Maths

The children have worked really hard this week to learn to tell the time to 5 minutes on an analogue clock. It's such a difficult thing to do, but the children have showed real determination and perseverance! Do keep practising at home.

Library Books

If you have any library books at home please make sure you return them so that the children can choose a new one. Thank you.

English

This week we have learnt all about Ernest Shackleton and his adventures to Antarctica. We discovered that a trip to the South Pole wouldn't have been quite as easy as it sounds! We wrote letters home to our families in the role of Shackleton and included details about the equipment we had to take with us, the kind of food we ate and what the conditions were like.

Odd Sock Day

Thank you for sending your child in with odd socks on Thursday to celebrate world Down's Syndrome Day.

Year Two JTLYK
Chestnut and Walnut

Things to Remember

The last swimming lesson of the term is next week (27th March) and begins again on the first day back (24th April—23rd is an inset day).

1st April Making Easter Gardens - We will be making Easter Gardens so please send in moss, leaves, flowers and/or trays if possible for the children to use in their creations. Please see the letter we sent home for further details.

Pause Day 2nd April —a lovely day to think about the Easter story. In the afternoon, the children will be given bibles by Reverend Robert Cotton, Clare and their Year 5 buddies.

Easter Service at Holy Trinity Church 3rd April at 9.30am

This will be a joint celebration with the junior school children. We would love a few parent helpers from 9:00am to help walk children to the church and back.

Friday 5th April End of Term.

Please note that there will be an early pick up on Friday at 1:30pm.
