Reception

Maths

We'll be looking at our class advent calendar - finding and reading the numbers. We hope your children are enjoying finding the numbers at home too. Can they count down the days until Christmas? How many doors have you opened so far? If you don't have a calendar, can you count the days until the holidays? We will also be making repeating patterns with colours and shapes and learning to use positional language eg. Beside, next to, above, below

Hazel & Willow

Coats!

Please could your child practise learning to do up their coat at the weekend as it is getting very chilly at playtimes. Also please remember to have wellies in school for our Wild Place visits on Wednesdays. Thank you!

Christmas Cards

If your child wants to give Christmas cards this year can you make sure they have surnames and class names (if you know them) so we can distribute them easily - thank you! There will be a post box in the library for you to post your cards.
