

Just to let you know...

Maths

The children have been working hard at learning about the properties of 3d shape and enjoyed a carousel where they made a range of shapes from construction equipment, identifying all of the properties. Some children enjoyed working with James Potter who came and explained how he uses perimeter and area in his job. The children had great fun working on a plan of some gas works!

Literacy

The children have written their fabulous newspaper articles all about the Plague. They have done so well remembering to incorporate all the necessary features. Each news article includes the who, what, when, where and why of the Eyam plague story.

Spellings

- doubtful
- island
- lamb
- solemnly
- thistle
- kighthood
- knuckle
- dilemma
- quotation
- conclusion

Carol Singing We would love to take the Yr5 children to sing carols to the elderly residents of Addison Court on Thursday 17th Dec. We will meet in the hall at 4.45 and then go across the road to sing. They would like to give refreshments to the children afterwards,

Just a quick reminder of the plan for play week. The children should wear dark clothing, they are meant to be chimney sweeps. On Friday 11th December it is our usual late start, the children can come to the hall anytime before 10.30. It is a lovely experience, all the teachers will be performing stories and poems for the children to enjoy.

HOMWORK

Children may be bringing home pieces of work to finish. This week to reinforce all that the children have been doing in school, we would like them to make a 3d shape and decorate it. Please ask your child to tell you the name and comment on the faces, edges and vertices.
