

Just to let You Know

Toast, Toys and Top Trumps

We had a lovely morning this morning enjoying hot buttered toast and sharing our toys from home.

We then had fun playing our own 'Dragon Top Trumps' game.

Maths

The children have worked very hard this week on subtraction. We have revised our skills using number lines, hundred squares, counting teddies and our fingers!

The children have started to collect dragon words for their poems. We have been making up silly rhyming words and spotting 'dragon words' in dragon poetry reading.

What a wet week!

Well done to all the children for being so flexible about playtimes.

We had fun in PE on our 'dragon hunt' climbing over and under the equipment!

Sound of The Week

This is 'or' and the words are for, cord, horn, pork, short. If your child can think of any other words with 'or' please tell us.

Trip to Guildford Castle May 15th

- We will soon send home information about our morning trip to Guildford Castle on Tuesday May 15th.

Wild Place

Weather permitting we will be going on Monday!
