

Maths

This week, we have learnt about 'time' and how to read and record it, in both analogue and digital forms. We have looked at 12 hour and 24 hour clocks. We have also looked at solving some problems involving time/timetables. *Where might you see timetables outside of school?*

If you'd like more support, have a look at the MyMaths website choosing either level 3 or 4, Shape, Measures and then Telling the Time activity. <http://www.mymaths.co.uk/>

Next week's events:

Tuesday 16th:

Materials Exhibition, at 2pm in the forum. We hope to see you there!

Wednesday 17th:

Year 4 Christmas Party! Your child can bring in their party clothes to change into for the afternoon.

Parent Thank You is at 12:15, for any parents that have kindly helped us during the term.

Thursday 18th:

Christmas Church Service is being held at 9.45pm.

Friday 19th :

Winter Walk. Your child needs to wear MUFTI and will require suitable footwear and a coat.

Just to Let you Know...

SPELLINGS OF THE WEEK

PE

Please can the children always have their PE kits in school every Wednesday and Thursday.

Also, due to the weather please add joggers to their PE kits and ensure a pair of socks, coat and trainers are available all week.

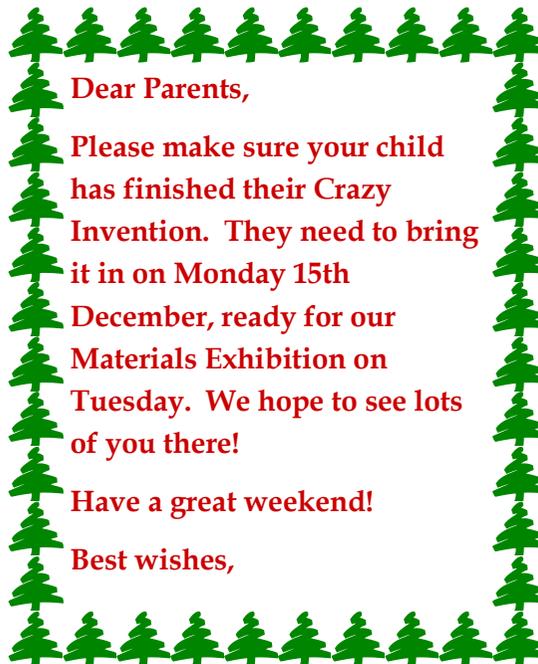

Christmas Art

This week, Year 4 have been looking at a range of different pictures of the nativity from around the world. Pupils discussed what symbols were used and what they represent.

We discussed the use of colour and how this is used to convey a particular idea or emotion.

After exploring and discussing a range of pictures, all the children came up with their own interpretation of the Christmas story, using a range of media.

Dear Parents,

Please make sure your child has finished their Crazy Invention. They need to bring it in on Monday 15th

December, ready for our Materials Exhibition on

Tuesday. We hope to see lots of you there!

Have a great weekend!

Best wishes,
