

Just to let you know...

This week we have celebrated the end of our topic with the wonderful Year Four Science Exhibition. Thank you to all those who attended and were subsequently amazed by the children's knowledge and enthusiasm.

Happy Easter! We hope you all have a fabulous holiday.
Best wishes
Tracey, Nick and Alison.

Easter Week

This week the children have been learning about the true meaning of Easter. They had the chance to build their own Easter gardens to represent rebirth and new life.

This year we had more entries than ever and they were all beautiful. We had a wonderful service at Holy Trinity church in which we met all of our school's heroes again. The children were brilliant and sang their hearts out.

We would love any empty or full seed packets for our next topic. Any time in the first week back, please.

4TJ SWIMMING

Swimming will begin on Wednesday 18th
