

Just To Let You Know- Hazel & Willow

Next Week

Willow will be learning oo, y and x

Hazel will be learning w, ng and v

In Maths we will be focusing on numbers and accurate counting. At home, try saying a number to your children and see how quickly they can hold up the right number of fingers. Can they find a different way of making the same number using their fingers?

Parents' Evening

We are looking forward to seeing you and if you haven't got your appointment slip please do ask us. The appointments are for 10 minutes and we will do our best to keep to time. Someone in the office will tell you where we are meeting. While you are waiting for your appointment please do take the time to enjoy looking round the classroom and at your child's folder of their lovely work.

Wellies & Wild Place

Thank you so much for providing your children with wellies.

We had a lovely time at the Wild Place collecting sticks and sorting them from the shortest to the tallest.

We won't be going to the Wild Place on Wed 19th due to Parents' Evening.

Forest LEAP

We've had a lovely time reading 'Stickman' by Julia Donaldson this week. We've made our own stick people and given them names. We've been building with sticks and sorting them too. In cooking, we made delicious little bread roll hedgehogs.

With Graham from Hydestile visiting on Thursday, we will be learning about lots of different animals that live in the forest. Graham will be bringing some real forest animals to show and talk to the children about. Please give your forms and £2 donations to Ruth and Jane in the office.

We're looking forward to meeting Mr Johnson the Eagle Owl!
