

# Just to Let you Know

# Hazel & Willow

## Wild Place

This week we pretended to walk along tight ropes, blow fire, (dandelion seed heads!) be strong men and women or amazing acrobats. The children were very inventive and we had a lovely time in the sunshine.

## Maths

We have been busy making up our own games which has involved lots of practical adding and taking away. Next week we will be assessing how the children are getting on with their Maths learning.

Thursday 21st May is our Mr Benn dressing up day!

The children have taken part in our Mr Benn LEAP with such enthusiasm and interest. As a fun way to end the LEAP we are inviting the children to come to school on Thursday 21st May in any sort of dressing up clothes.

Alternatively, he/she can come to school in home clothes.

## 'Mr Benn at the Circus'

Both classes loved practising their circus tricks and performing to each other.

We had some wonderful balancing along tight ropes, leaping through hoops, climbing up poles and even some jumping and landing like 'real acrobats!'
