- Half Term
- 2nd June Back to School
- 9th June Preston Montford

**DID YOU KNOW?**

Bananas have the capability to boost concentration and intelligence in children. It can be the best exam diet for students as it not only provides energy but also refreshes stressed brains, keeping the children always alert.

Dear Parents,

Next Friday (16th May) we are going to the Lido. Please remember that we are meeting there at **9:45** and to bring both a packed lunch and some warm layers as the water can feel cold and the children will feel chilly when they get out! Have a lovely weekend!

Best wishes,  
Sarah, Cheryl, Mary, Clare and Helen

ENGLISH

This week we have been exploring life in a Victorian school through Tom Brown's School Days. Pupils worked on writing, editing and improving a descriptive piece based in Rugby School. We have been so impressed by the descriptive and challenging vocabulary they have been using.

**Spellings:**

Please continue to encourage your children to practise their Spellings for the SATS paper.
