

JTLYK Reception  
Friday 5th April 2019

**Jobs for the Holidays!**

Please use the holidays to check that you child's name is still on everything that they bring to school - there is a large mound of lost property at school and some of it is brand new!

This is also a good opportunity to teach your child to tie shoe laces, do up buttons and turn their clothes out the right way for dressing.

If you want to spend time supporting your child with literacy and maths:

Count up to 20 out loud. Count up to 20 objects by laying them out neatly and pointing to each one .

Read regularly with your child. Make up and say a simple sentence together, counting the number of words that you are using.

**Rockets and Space**

We are very excited about our theme for beginning of next term. If you have any space themed dressing ups or small world characters or other resources that you could let us have we would be very grateful!

We are continuing to collect small junk modelling resources from the recycling.

**Dear Parents**

We are really looking forward to the Easter break after all our hard work this term!

We have learned all about the meaning of Easter this week - with prayer activities during our Pause Day; listening to the story of Jesus entering Jerusalem; the last supper and garden of Gethsemane.

We were very proud of our Reception children on Wednesday. They walked well to the church (and back up the hill!) and listened carefully during the service. They joined in the beautiful singing and really lifted our hearts!

Yesterday we made scrumptious Easter nests using our measuring skills and hopefully these have made it home! The children have also made you lovely Easter cards too (don't forget to look on the back ..!).

School returns on Wednesday 24th April and the children will need PE kits on their pegs too. Please try to sign up for the Wild Place for next term as we are planning for the warmer weather!

We wish you a very Happy Easter and a relaxing break.

The Reception Team :))
