

Just To Let You Know- Willow & Hazel

MR. MEN

Next Week

Hazel will be learning

L, f and b

Willow will be learning

g, o and u

In Maths we will be sorting and ordering numbers. If you've got some number cards or blocks at home, see how quickly you can put them in the right order.

Poems

We had such a lovely time sharing poems with our house teams.

The teachers were very impressed with how well the children could recite their little rhymes and many were happy to stand up and contribute.

We have been doing some work based on the Mr Men books. It's been lovely to see the children so enthused and inspired!

So far, they have designed the inside of Mr Funny's house and written job ideas for Mr Bump.

In maths we've been learning about 2D shapes.

This has tied in really well with the Mr Men characters as many of them are shaped like circles, squares, triangles and rectangles!

Ask your child at home if they can sing you a song about shapes.

It starts with 'I'm a square, I have 4 sides...'

Fluffy Friday-17th October

Fluffy Friday is an extra curricular activity day that we run through the whole school. The teachers run different activities which the children can sign up to for the day. As Reception are just settling in, Sian, Sarah, Hannah, Sue and Mrs Katmeh will organise activities within Willow and Hazel.

You won't need to fill in a Fluffy form for this **but please come to school in home clothes/mufti.**

Year One visit

Willow and Hazel have been invited to visit Year One on Thursday morning to have a look at their lovely topic work. Reception will also have the chance to look around Beech and Oak classrooms and the Year One's are making biscuits too.

Photos coming soon...!

PE

Julia our Games teacher says a very big 'Thank you' for your support with encouraging your child to dress and undress at home.

Please continue to do this. As more children are staying in the afternoons, it makes a huge difference if the children are as independent as possible!
