

# Just to let you know...

## English

The children have been hard at work planning and writing their LEAPs work. We have some beautiful poems about Stoke park. We have had some fascinating work on the Dennis Motor Company and some great historical research on both Holy Trinity School and The RGS. The children love directing their own learning and following up their own lines of enquiry. Do you have anything you could add to our topic? Do you know anything interesting about historical sites in Guildford? Please let us know.

## Dates for your diary!

Open Afternoon - Monday 13th July  
Sports Day - Tuesday 14th July  
Celebration Picnic - Wednesday 15th July  
Move Up Session - Friday 17th July  
Last Day (1.45 finish) - Tuesday 21st July

On Wednesday 15th July we have our Celebration Picnic. This is an event held for the children to say good bye to Richard. Children are allowed to bring a small snack to celebrate.

## Maths

On Tuesday we went to Guildford High Street and collected a variety of data. The children tracked the number of male and female shoppers entering different shops. We then brought this information back to school and created different charts and graphs. We challenged some groups to design pie charts. We then considered what we could learn from the information.
