

JTLYK Year 2
Walnut and Chestnut
6.12.19

REMINDERS

Thank you for all the lovely costumes that have arrived this week. If you haven't brought yours yet, please bring it on Monday 9th as we will be wearing them for photos that morning.

Christmas fair on Saturday 14th December—Please do sign up to help

LATE START on Friday 13th is allowed ! 10.30am or before. Following all of the children's fantastic hard work for the school play the children are often exhausted so they may have a lie in or just have a slow morning at home.

This week...

We have been really pleased with how the play is coming together.

The children enjoyed their 'Fun Splash' swim this week where they had a chance to use all of their skills in a much more playful way. This was our last swim of the term. Swimming starts again on the 8th January.

Besom boxes

Thank you for the wonderful selection of items you have donated for the hampers so far. We hope to have them ready for collection by the end of Friday 13th December, so please bring in any remaining items before then. Thank you

Numbots/TT Rock Stars

www.play.numbots.com

www.play.ttrockstars.com

The children have their logins in their JTLYK books and have enjoyed the first session this week on numbots. Please do also log in at home to keep working on addition and subtraction . (In January we will be teaching times tables and making more use of tt rock stars.)

English / Topic

To finish our work on The Great Fire of London we have been imagining ourselves as children at the time and writing diary entries inspired by Samuel Pepys.

RE

The children have enjoyed learning the Christmas story and next week will be re writing the story.

Maths

This week we have revised addition and subtraction of 2-digit numbers. The children used drawings well to help them calculate the answers. For some of the trickier questions, we used the bar model to help.

Parent Helpers

We are very grateful for all the parents who have helped this term. Please feel welcome to join us for mince pies after the Carol Service on 19th at approx. 10.30am.
