Group Room Year 4

Spelling list w/b 17th June (revise mnemonics)

said, they, come, friend, want, was, saw, should, would, could, once, every, four, who, there, people, laugh

Each child has their own list with focus words marked on. Some children are finding their own tricky words to learn. The test will include all the words.

*This week we have been revising different types of common nouns (grandma—people, circus—place, table—thing). We have also practised asking and writing questions about a given statement eg. My family flew to Spain last summer. Where did my family fly?
When did they go to Spain? How did they get there?*

children should know which colour reading book they are on and how to change them. Please read with them as much as possible.
