

# Just to let you know...

Reception

Hazel & Willow

## Phonics

We will be continuing to practice reading words from our tricky word books. We will be playing games with them and will also be finding them in our reading books. Why not try to find them at home in your library books.

## Reminders

On Friday 29th June the school is closed for an INSET day and on Monday 2nd July we are closed for a summer holiday. Dad's Day is on 3rd & 4th July-sign up sheets are outside the classrooms.

## Maths

This week we are re-visiting 2d and 3d shape. We will be exploring their properties and learning words to describe them e.g. corner, curved, straight, edge. We will also be looking at number sequences.

## Move up morning

A really big well done to all of our Hazel and Willow class children for doing so well on their first visit to their new year one classes. Everybody was very jolly and happy and seemed very excited about exploring their new classrooms. We will be going back for another visit in 2 weeks.

## Look Out Discovery Trip

Just a little reminder that we are going on our exciting summer trip to the Look Out Discovery Centre in Bracknell on Monday 25th June. Please send your children to school with a packed lunch, a water bottle, a coat if it is raining and a sun hat if it is sunny! We will be going outside to a fabulous playground after lunch so please send outdoor layers depending on the weather. Your children should wear school uniform but can wear joggers and trainers if they would like to .

Long Jump at HT

Thank you for the plants that you have sent in so far for the front playground and the Year R garden. If you find that you have any more spare bedding plants etc that you might be able to donate we would be very happy to receive them.
