

# Just to let you know...

Dear Parents,

It has been another great week in year 4. The children have revisited the 'Window' story and made 3D flowers (showing all of the parts of a flower).

It is Fluffy Friday next week! Your child will now know what activity they will be doing. Please ensure your child brings in £1 and any permission forms (if applicable) and extra money (e.g. for Stoke Park Tennis) if relevant.

Have a great weekend,

James, Rachel, Sarah and Kelli

## Spellings

Please look at and learn these spellings for Monday 21st May. We are revisiting words that children have struggled to spell.

everything, interesting, people, believe, friend, beautiful, school, although, favourite, special

## Maths

In Maths this week we have been covering angles. We have been using protractors to accurately measure angles. We have revisited the different types of angles; acute, obtuse, straight, right angle as well as learning about reflex angles.

## Homework—Angles

This weeks homework is questions on angle sizes and types.
