

# Just to let you know...

Dear Parents,

We have had another full on and exciting week in Year 4.

Your child should have brought home their PE kit, please make sure that this comes back for the Monday after half-term (4th June).

We hope you all have a lovely and relaxing half-term and enjoy the sunshine. We look forward to seeing your children back well and rested ready for an exciting few days at Bentley Copse!

Have a great week,  
James, Jo, Rachel, Maggie, and Georgie

## Reading records

Thank you for all the support you give your child with their reading. Please continue to read with your child over the half term. They should also complete two tasks and spend at least 20 minutes on each of these!

## Spellings

There are no spellings to learn over half term, however, please continue to practise any words that your child has been struggling with this term.

## Bentley Copse

We are looking forward to Bentley Copse the week after half-term. Your children have been briefed this week and given opportunities to ask questions and share any of their worries. We have created class charters and the children have made their tent choices. We hope your child is looking forward to it as much as we are!

## English

This week in English we have been working on creating emotive language in order to persuade the reader to want to support the conservation of the Small Blue butterfly (which is in fact found very locally!) as the children learnt that their habitats are being destroyed.

## Maths

This week we recapped expanded and compact column addition and subtraction. We then applied our knowledge of these methods to solve tricky word problems. Why not encourage your child to continue practising this over the half-term holiday?

## Fluffy Friday

It has been another successful Fluffy Friday, thank you to those who helped and to everyone who contributed £1. The children enjoyed a range of activities and getting outside to make the most of this glorious weather!
