

JTLYK Year 2 2.2.18

Thank you to the parents who have talked to us about their adventures.

International Visitors— February 7th (in school time) lots of students from Surrey university are visiting us to tell us all about different countries.

Bedtime Stories—February 7th 5:15pm—6pm. Children can come back to school in their dressing gowns, with a teddy, cosy blanket etc and join us in the classroom for stories and hot chocolate!

Wild Things Day is on Friday 9th— children to come in a simple costume !

English

The children have written their own version of 'Where the Wild Things Are.' We are looking forward to sharing the stories together on Friday afternoon. The stories are really imaginative and the children are working so well to remember to write in sentences, use adjectives, leave spaces between words, as well as thinking about the height and size of ascenders and descenders.

Maths

The children have been using subtraction to solve problems, reasoning about the best way to solve a subtraction number sentence as well as learning to use a number line to take away.
